### Datotel's Q2 contracts add \$1.5M in revenue

St. Louis Business Journal - August 14, 2006

**Datotel LLC** said Monday that it signed several new contracts in the second quarter that contribute more than \$1.5 million in additional annually recurring revenue.

The new clients include Geotechnology, DataServ, Commercial Blue Inc. and LeadOne, which will all use Datotel's \$7 million facility and managed service offerings based in downtown St. Louis for primary and disaster recovery solutions.

David Brown, president of Datotel, said in a statement, "Our clients enjoy the added value of redundancy in our system, which allows us to serve them seamlessly at all times as well as offer the best resources available right here in St. Louis."

St. Louis, Mo.-based Datotel LLC provides information technology services.
